

Agricultural Commission Meeting on March 17, 2010

The meeting was called to order at 7:12 PM. Present were Christine Nava, Barry Mathias, Phil Burnham, and Karen Johnson.

The minutes from the meeting on November 4, 2009, were accepted. Christine motioned and Barry seconded.

On the warrant for Town Meeting is an amendment to clarify the zoning of agriculture uses permitted in town. This is changing the R20 and R40 zones for agricultural uses. The Agricultural Commission is in favor of the new by-laws. Barry will speak at the meeting about earth removal and the new agricultural by-laws.

We are going to look into getting electricity on the town green.

We were all supposed to check our schedules to see about having Agriculture Day on August 28, 2010.

The next meeting will be held on Tuesday April 13, 2010 at 7pm. Hopefully more people will be able to come on that night.

Meeting adjourned at 7:46 pm.

Respectfully submitted,

Karen Johnson
