Vice-Chairman Michael O'Meara called the meeting to order at 7:30 pm.

Legislative update Re: Town Meeting Articles by Mark Beaton. Attorney General has to confirm Town Meeting action then the Town Administrator will submit the application to MTC for 2nd Grant RE: Site Feasibility and Financing issues relative to the Wind Turbine at the Transfer Station.

Michael O'Meara will contact KEMA and MTC for Final Draft of Financial Feasibility. Would like to approve it at the next meeting and present to Board of Selectmen as soon as possible.

Topic that requires follow through for next meeting: What recommendation will the GEC have for Surplus Revenue Enterprise Fund?

How much electricity is used by town municipal building? Mark Beaton will pursue itemized bills for kilowatt hours.

Find Bullet Action Steps presented by Amy regarding the next steps necessary to put up the wind turbine.

Ask REC if they have a taped version of Wind 101 that we can put on cable TV to educate the public.

Seek Wind Energy info from ICLEI and other groups MTC REC relative to wind turbine for public education.

Get information Furlander regarding Wind Turbine Safety issues, mechanisms and procedures they use.

Motion to adjourn at 9:30 pm by Michael O'Meara seconded by Stephen Sechovicz.
