

Green Energy Committee
August 23, 2011

Members present: Mark Beaton, chair; Gerard Walraven, Eugene Wyatt Jr., Michael O'Meara, Antoine Nessralla

Meeting called to order at 7:30 pm. Mark Beaton is the Clerk.

Agenda

- GEC Designee for Green Fund Committee
- Fuel Usage 2010 vs. 2011
- Minutes
- Other Business

Went over charts and graphs for Gas & Diesel usage 2011 was problematic should send a report to BOS to get Dept Heads on board. As a Green Community the TOK by its endorsement at Town Meeting has to get a handle on fuel efficiency.

At next meeting GED will nominate representative to the Green Fund Committee. Tony & Mark would not seek nomination.

Motion by Antoine Nessralla seconded by Gerard Walraven to accept the minutes of the March 10, 2011 meeting as submitted. The motion passed with a 3-0-1 vote, Eugene Wyatt Jr. abstained.

Brief discussion of ETA of Turbine & Solar Farm. D&C should break ground in September and turbine should be online by November.

Borega – Still working out interconnection with NSTAR and working at details with state regarding landfill cap & solar farm. Expect completion by December 2011.

Discussion of a Green Fair – Bring Contractors, Suppliers and Weymouth Bank to an assembly to educate Town of Kingston residents of opportunities to green their homes and businesses.

Motion by Antoine Nessralla seconded by Gerard Walraven to adjourn at 8:30. The motion passes with a 4-0-0 vote.

Potential next meeting on Wednesday, September 7, will get a consensus of the committee.

Minutes submitted by Mark S. Beaton
