Old and New Business

John Perry informed the Committee he had been sworn in as a member of the Committee. Everyone congratulated him.

Chairman Bill Arrowsmith reported he spoke with Shelley Loring at Town Clerk's office about getting the survey on the web. She stated she could get it on the web page and would work on doing so.

Bill passed out the survey and talked about two version one with larger font and point. The committee agreed we should add the Town House address at the end of the survey and inquire to Town Clerk about a drop off bin for collecting surveys similar to the Town Census collection box. One survey can be filled out per household.

Bill will put the information about the survey on the bulletin board at PAC-TV with the web site address.

Members discussed places to drop off or inquire about leaving copies of the survey for Kingston citizens to fill out.
