Old/New Business

The Board discussed the fees again and also the Food Inspector, Russell Meiggs, who was supposed to be at tonight's meeting, Jack Breen said Russell couldn't make it. Bill Watson said I thought we were originally looking at the fees and talking about raising the fees is to recoup our \$850 that was stripped out of our budget. I never thought we were doing this to raise the salary of the Food Inspector. Health Agent stated that our fees and money we take in everyday has nothing to do with our budget, they are 2 separate issues, it goes into a general fund.

The Board would like the Health Agent to send a letter to Russell Meiggs to come into our next meeting on Sept. 10, 2007.
