Old Business

Joe Casna mentioned the newspaper article, which is on the agenda. Joe Casna said to Dan, I don't see where it is Board of Health business. Dan Sapir said, you can think that, but I'll tell you why I requested that it be put there, you don't have to do anything about it, we started talking about this in executive session and I pointed out that it was not appropriate for executive session, that it should have been in open session, so I put it out there.

Joe Casna said, do we need to go into executive session for 16 Foster Lane, Anytime Fitness or 20 Maple Street? The Health Agent stated that she was going to give the Board an update.
