Health Agent's Report Reviewed

Issue with John J. Geary, Dan Sapir to recuse himself from discussion he has utilized Attorney, Geary in the past.

Also present at the meeting is Peter Cobb from the Sewer Commissioners Office. The Health Agent has correspondence attached to her report pertaining to Attorney, Geary he would like to be put on the agenda in May. Jack Breen stated that he would like him to come into an earlier meeting. Attorney Geary was tied into the Municipal Sewer last year and has not abandoned his septic system. At this point he does not want to tie into the Municipal Sewer. The Board has a regulation that requires a septic system to be abandon once you have tied into to the Municipal Sewer. The Board would like to ask Attorney, Geary to be placed on the agenda for March 23rd.

Article on By-Law for Town Meeting was discussed and will be placed on the fall agenda.

The Board discussed the letter from Selectmen, Mark Beaton and reviewed the map that was attached. When this went before the Selectmen, about 5 years ago the minutes stated that Mark Beaton recused himself, this was also defeated at town meeting. Dan Sapir, said this was spawned again in December. This did not come to the town by way of Landers, it came by way of Mark Beaton, who 5 years ago recused himself. Filed on December 24th, in the Clerk's Office is a letter from Mark Beaton pertaining to issue. Mark Beaton brought the issue before the Selectmen.

Motion: Dan Sapir would like to see the principals of P.A. Landers come before the Selectmen and make a formal presentation. We will evaluate it at that point we feel a project of this magnitude should be presented by the applicant in the usual manner. If that isn't going to happen, then maybe we could meet with them.

Second: Bill Kaval

Discussion: Jack Breen said they are asking us to acknowledge this on a board level, maybe we should ask them to come into a meeting. We will send a letter to the Interim Town Administrator, Dan & Henny will write the letter.
