7:05 Meeting called to order by Chairman, Bill Watson

Bill Watson stated that with advice from Town Counsel this Public Hearing will be closed without any action and re-advertised. New regulations which is combining March and the proposed regulation for September 22, 2008.

Joe Casna asked in the meantime if we get any new applications what will happen? The Health Agent stated that we already have an application that we received a few weeks ago from Bob Gosselin. Joe asked can you hold it so we can decide what we are going to do if the Board was going to review it or is it going to be approved downstairs? The Health Agent said I think it will be up to Bob Gosselin how he wants to pursue it, the abutters need to be notified because there are variances involved, so the Board will have to approve it. Joe said good and I ask if there are any other applications that you hold them so the Board can be involved.
