**Health Agent's Report Reviewed**

There was an attached memorandum forwarded to the Fire Chief, Robert Heath and Police Chief, Joseph Rebello regarding the Board of Health's Jurisdiction. The Board reviewed the Agent's Report. Bill Watson played a taped message for the Board Members to hear. He received this on his answering machine left by the dispatcher at the Kingston Police Station on November 12, 2008. The dispatcher didn't realize he was being taped and said "this is the world's worst Board of Health." This message was the result of an incident of a broken glass mercury thermometer in a private home.

**Old/New Business**

The Health Agent will check the zoning by-law 5.29.2 stream setback and make a copy and send it out to Board Members. Find out who proposed this at Town Meeting?
