

KINGSTON HISTORICAL COMMISSION MEETING OF DECEMBER 14, 2008

Meeting was called to order at 12:00 pm at 24 Sunset Rd. Kingston, MA
In attendance were Craig Dalton, Winifred Avery, Walter Hoeg, and David Pepe.
Absent were Robert Murphy, Gregg Bouley, and Kevin Voigt.

This meeting was called at 24 Sunset Road for the purpose of viewing the property for a possible Demolition Permit. Dr Courtland Harlow Jr. the present owner, and his son Courtland Harlow III were present.

All present members viewed the property outside. The house is boarded up and in general disrepair. Access to the inside is only through a basement passage without stairs and Winifred and Walter were unable to get inside the property. Craig and I were able to get inside the property with the owner. The house is currently used for storage. No one has lived in the house for several years and it is in disrepair. The house has had many renovations in the past and bears little resemblance to its original design. Craig was able to take several photographs both inside and out of the property.

After exiting the property it was decided that it would be best to discuss the property and the demolition permit at the next regular meeting on January 8, 2009.
