244 Main Street, Kingston, Massachusetts, 02364

Business: (781) 585-0523; Fax: (781) 585-7556

**The Kingston Police Department is offering to properly install child car seats for our residents. 7 out of 10 car seats are unknowingly improperly installed, according to the National CPS.**

**Of the 343 registered car seat installation technicians in Massachusetts, only 17 are located in Plymouth County. As a service to our community, we have recently graduated 4 of our officers.**

**Sergeant Zach Potrykus, Sergeant Scott Morgan, Officer Roger Silva and Officer Mike La Natra of the Kingston Police Department have recently received certifications in child carseat installations from the Child Passenger Safety Technician School, a National CPS certification program.**

**This educational and valuable service will ensure that you are using your car seat to its maximum potential. Call to schedule an appointment.**
