To all patrons of the Kingston Transfer Station,

We have recently changed our recycling vendor in order to continue to receive a rebate for our recycled paper and cardboard. The new vendor has requested that some items that were being deposited into the cardboard container now be disposed into the paper container. These changes will allow us to receive the best rebate for each product. Therefore we are requesting your help by placing the following items into the correct container.

**CARDBOARD CONTAINER:**
Cardboard boxes only, clean, no food waste, oils, solvents or wax coatings

**PAPER CONTAINER:**
Newspaper, office paper, junk mail, cereal boxes, soda boxes, beer cases, juice cases, milk cartons, etc.

Items NOT to throw in either container:
Tyvec shipping envelopes, wax coated papers, food waste or sanitary waste papers, plastic or trash of any kind

We would like to thank all of you for your continued recycling efforts and helping us keep costs to a minimum.

**THANK YOU!**
