

# The TOWN OF KINGSTON

## Community Choice Power Supply Program

An alternative electricity supplier option for its residents and businesses.

**NEW LOWER RATE JUST ANNOUNCED**

**\$0.10523/kWh**

FOR ALL RATE CLASSES. BEGINNING WITH SEPTEMBER METER READ.

Residents will recognize a savings of approximately 3% over Eversource's Basic Service rate for the first 4 months. This rate is fixed for the next 30 months taking the volatility out of your electricity rates.

To learn more about the program visit
