DO NOT DISCARD - IMPORTANT Notice Regarding Electricity Rates
Dear Kingston Basic Service Consumer:

The Town of Kingston is pleased to announce that NextEra Energy Services ("NextEra") has been selected as the supplier for its Community Choice Power Supply Program ("Program"). This Program is a municipal aggregation which enables local government to combine the purchasing power of its residents and businesses to provide them with an alternative to Eversource Basic Service (M.G.L. c. 164, § 134). This Program only affects the supply portion of your monthly bill. It will not affect the delivery portion of your monthly bill. Eversource will continue to deliver your electricity but Kingston has chosen the supplier for the Program. NextEra will provide electric power supply for all consumers currently on Basic Service in Kingston. This letter is intended to tell you about this Program for electric power supply. In accordance with state law, it also informs you of your rights and options if you choose not to participate in the Program.

- **YOU WILL BE AUTOMATICALLY ENROLLED IN THIS PROGRAM** unless you choose not to participate and opt-out.
- **YOU MUST RESPOND BY JANUARY 20, 2020 IF YOU DO NOT WISH TO BE AUTOMATICALLY ENROLLED.**

**YOU WILL NOT NOTICE ANY CHANGE IN YOUR ELECTRICITY SERVICE.** The only difference you will see is that NextEra will be printed under the “Supplier Services” section of your monthly bill. You will continue to receive one bill from Eversource. You will continue to send your payments to Eversource for processing. Eversource will continue to respond to emergencies, read meters and maintain the distribution and transmission lines. Reliability and quality of service will remain the same. Furthermore, you will continue to have all existing consumer rights and protections.

*Rate includes Consultant Fee of $0.001 per kWh to facilitate Kingston’s Community Choice Power Supply Program.

*Rate may increase as a result of a change in law that results in a direct, material increase in costs during the term of the contract.

**IMPORTANT INFORMATION**

- At present, the aggregation rate is lower than Eversource’s Basic Service rate. The aggregation rate is fixed for 30 months (September 2017 to March 2020) while Eversource’s Basic Service rate changes twice a year, in January and July. As a result, the aggregation rate may not always be lower than Eversource’s Basic Service rate. The goal of the aggregation is to deliver savings over the life of the Program against Eversource’s Basic Service rate. However, SUCH SAVINGS AND FUTURE SAVINGS CANNOT BE GUARANTEED.
- There is NO PENALTY CHARGE TO OPT-OUT of the Program and return to Eversource Basic Service.

IF YOU HAVE BEEN MAILED THIS NOTIFICATION you do not need to take any action to participate in the Program.

ALL BASIC SERVICE CONSUMERS who have been mailed this notification will be AUTOMATICALLY enrolled in the Program and start benefiting from the aggregation rate beginning on the day of the month in February 2020 that your meter is read. This date varies by service area. Your meter reading date is shown on your bill.

WATCH YOUR EVERSOURCE BILL FOR FURTHER NOTIFICATION of the Program.
- Your February 2020 bill will state that you are being switched to Kingston’s Program.
- Your March 2020 bill will show Kingston’s supplier and aggregation rate under “Supplier Services”.

BUDGET PLAN OR ELIGIBLE LOW-INCOME RATE CONSUMERS will continue to receive those benefits from Eversource.

SOLAR PANEL CONSUMERS will continue to receive their net metering credits while benefiting from the aggregation rate.

TAX EXEMPT SMALL BUSINESS CONSUMERS must send or email a copy of their Energy Exemption Certificate directly to NextEra Energy Attn: Commercial Sales Tax Exemptions at 20455 State Highway 249, Suite 200, Houston, TX 77070 or Tax_Exemption_Forms@nexteraenergyservices.com (email) in order to maintain their tax exempt status.
