To the Residents of Kingston,

This afternoon the Massachusetts Department of Public Health (DPH) announced there are 8,646 cases of COVID-19 in Plymouth County. As of this afternoon, the Town of Kingston’s total number of confirmed positive cases of COVID-19 remains 129. Of the Town’s total number of confirmed positive cases, 64 are from one facility. Our Health Agent and Public Safety Officers will continue to monitor these local cases. Due to privacy requirements, the demographics of these cases will remain anonymous.

These graphs are a visual companion to the numbers that we have been reporting in our advisory letters to residents.
Kingston’s Emergency Management Team met today to discuss the Town’s ongoing response to COVID-19. Fire Chief Mark Douglass provided an update from the reopening task force. Gray’s Beach Park will reopen to non-residents on Monday, June 29th. Beach stickers are available for purchase at the Reed Community Building, 33A Summer St., from 9:00 AM – 3:30 PM Monday through Friday.

Similarly, the Boneyard Dog Park is able to welcome back non-resident users. All users must have their Park Access License (PAL) to access the park. 2019 licenses are still valid. If you would like to use the dog park and do not have a PAL, please contact the Town Clerk’s Office at (781) 585-0502.

At 10:30 AM today PACTV aired a COVID-19 Update for the Town of Kingston. The program featured State Rep. Kathy LaNatra who discussed the reopening of schools in the Fall among other topics. The program will be rebroadcast on Kingston’s government channels (Comcast 15 and Verizon 42). We will share a link to the program on the Town’s website as soon as one becomes available.

Town Elections and Recall Elections will be held on June 27th from 8:00 AM – 6:00 PM. As was the case with the recent Special State Senate Election, voting at the Town House will not be available. All residents from all precincts will be able to cast their ballots at the Kingston Elementary School.

Thank you for your continued efforts to mitigate the spread of COVID-19,

Joshua A. Warren, Chairman
Board of Selectmen
